COMPANY OVERVIEW

ABOUT NEXA TRADING

Connecting Markets, Delivering Excellence

Nexa Trading FZE LLC is an industrial trading company based in Ajman, UAE, providing sourcing and supply support for electrical, mechanical and industrial requirements.

Our product portfolio includes mechanical spare parts, motors and drives, hydraulic and pneumatic components, switchgear, cables, lighting, and electrical installation accessories. We support customers with requirements ranging from individual replacement parts to complete project supply lists.

We focus on understanding each customer's specifications, identifying suitable products and maintaining clear communication throughout the enquiry and supply process. Our aim is to build lasting business relationships through attentive service and dependable sourcing support.

Whether you are maintaining equipment, upgrading a facility or planning a new project, Nexa Trading welcomes the opportunity to support your business.

QUOTE

Receive a quotation for your specific requirements.

PRODUCT PORTFOLIO / 01

MECHANICAL SPARES & MAINTENANCE

Components for machinery upkeep, power transmission and equipment replacement.

BEARINGS, UNITS & HOUSINGS

Ball, roller and needle bearings
Linear guides and bushings
Pillow blocks, flange and take-up units
Plummer blocks and split housings
Bearing pullers and induction heaters

TIMKEN | NTN-SNR | NSK | IKO | ASAHI | LINK-BELT

BELTS & POWER TRANSMISSION

V-belts and transmission belts
Rubber and polyurethane belt options
Gears, pulleys and drive components

Dunlop | Gates

CHAINS & COUPLINGS

Roller chains, leaf chains and sprockets
Disc, elastomeric and grid couplings
Hubs, elements and clamping units

SEALS & O-RINGS

Replacement seals and O-rings
For machinery and fluid-power equipment
Specify dimensions and seal material

TTO | Pioneer Weston | National | CR

FILTRATION PRODUCTS

Air, fuel, lube and hydraulic filters
Fuel-water separators
For equipment service and replacement

Fleetguard

LUBRICATION EQUIPMENT

Grease guns and manual bucket pumps
Drum pumps and single-point lubricators
Couplers and lubrication accessories

ADDITIONAL MECHANICAL PARTS

Brakes, clutches and backstops
Fasteners and replacement hardware
Matched to your machine requirements

SEND PART NUMBERS, DIMENSIONS, QUANTITIES AND APPLICATION DETAILS FOR A QUOTATION.

MOTORS & MOTION CONTROL

ELECTRIC MOTORS, DRIVES & SERVOS

Sourcing support for equipment replacement and industrial motion requirements.

ELECTRIC MOTORS

Single-phase and three-phase motors
IEC aluminium-body motors
IE2, IE3 and IE4 efficiency options
AC / DC electromagnetic brake options
ATEX / flameproof options by application

MOTOR BRAND OPTIONS

ABB | SIEMENS | TORQUEON | CG | BONFIGLIOLI | MGM

VARIABLE FREQUENCY DRIVES

Motor speed and torque control.

FEATURES & OPTIONS

Adjustable acceleration and deceleration
Vector control and motor protection
Communication and control interfaces

APPLICATIONS

Pumps, fans, conveyors, compressors
and packaging machinery.

SERVO DRIVES & MOTORS

DELTA ASDA-A2 / ECMA MOTORS

Servo systems for precise positioning and
synchronized motion.

Electronic cam, vibration suppression and
closed-loop capabilities, depending on model.

For packaging, printing, CNC equipment and
automated machinery.

DRIVE / SERVO BRAND OPTIONS: DELTA | KINCO | SINEE

Select to suit the application: motor kW/HP, voltage, phase, frequency, RPM, frame and mounting; drive current and duty; servo torque, speed, encoder and communication interface. For hazardous areas, specify the required zone and certification.

SEND YOUR NAMEPLATE PHOTO AND REQUIRED SPECIFICATIONS

Brand, model, compatibility and availability confirmed with your quotation.

PRODUCT PORTFOLIO / 02

HYDRAULICS & PNEUMATICS

Components and brand options for your equipment requirements.

HYDRAULIC COMPONENTS

Pumps and cylinders
Control valves, hoses and fittings
Filters and replacement components

PNEUMATIC COMPONENTS

Air cylinders and solenoid valves
Filters, regulators and air tubing
Fittings and replacement components

HYDRAULIC BRANDS

PONAR Wadowice | HOF | M+S Hydraulic
Hydrocontrol | Galtech | Hydronit | Vincke
ASO Cromsteel | Oesse | GDC | Hydroline
Alfomega | Minipress | EuroSnodi

PNEUMATIC BRANDS

JANATICS | GAST | CONTITECH

Please specify your preferred brand, model and part number. Availability and compatibility are confirmed at quotation.

ORIGINAL & OEM SPARES | TIMELY SUPPLY | COMPETITIVE PRICES

PRODUCT PORTFOLIO / 03

ELECTRICAL & FACILITY PRODUCTS

Switchgear, cables, wiring, lighting, ventilation and earthing products.

SWITCHGEAR & CONTROLS

Breakers, contactors and relays
Sensors and control components
Capacitor-duty contactors
Pin-type and fork-type busbars

Tibcon: capacitor-duty contactors
BICC Components: busbars

LIGHTING SOLUTIONS

LED panels, downlights and floodlights
Lamp ignitors and ballasts
Lighting capacitors

GEWISS: lighting
Vossloh Schwabe: ignitors / ballasts
Tibcon: lighting capacitors

CABLES & MANAGEMENT

Power, control and data cables
Cat6 connectivity products
Conduits, cable trays and glands
Clips and installation accessories

Schneider / D-Link: data connectivity
Salflex: flexible conduits

FANS & COOLERS

Ceiling, pedestal and industrial fans
Ventilation fans
Air coolers

Crompton: fans
Cooler brand confirmed on enquiry

PLUGS, SOCKETS & WIRING

Industrial plugs and sockets
Switches and wiring accessories
Steel boxes and extensions

Voilex: switches
BICC Components: steel boxes
Industrial plug brand on enquiry

EARTHING PRODUCTS

Copper-bonded and solid copper rods
Tinned copper tape
Air terminal rods

RR Global: rods, copper tape and air terminals

LASER HEADS & CONSUMABLES

PRECITEC / RAYTOOLS

PRECITEC

Laser cutting
heads

PROCUTTER THUNDER

PROCUTTER 2.0

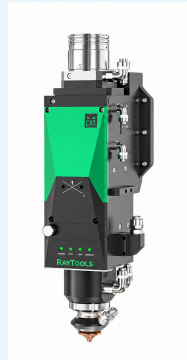

PROCUTTER PRIME

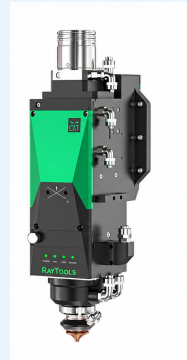

RAYTOOLS

Laser cutting
heads

BS30K CAT PLUS-2D

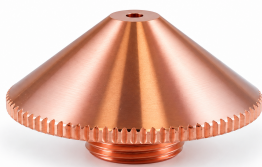

BS15K CAT-2D

BS08K CAT-2D

LASER CUTTING-HEAD CONSUMABLES

CUTTING NOZZLES

CERAMIC SHIELD

PROTECTIVE WINDOWS

Also available: focusing and collimating lenses, seals and replacement parts.

ORIGINAL & OEM SPARES | TIMELY SUPPLY | COMPETITIVE PRICES

Please share head model and part number to confirm compatibility and availability.

Exact model and consumable compatibility confirmed at quotation.

PRODUCT PORTFOLIO / 05

HYPERTHERM PLASMA SPARES

Original & OEM spares and consumables for your plasma cutting systems.

HYPERTHERM XPR RANGE

170 A / 300 A / 460 A

XPR170 | 170 A

XPR300 | 300 A

XPR460 | 460 A

CONSUMABLES & REPLACEMENT PARTS

XPR CONSUMABLES

Shields, nozzles, retaining caps, swirl rings, electrodes and water tubes.

POWERMAX SYNC CARTRIDGES

Cutting and gouging cartridge options.
Torch parts and replacement spares.
Send your system model and part numbers.

ALL ORIGINAL & OEM HYPERTHERM SPARES

We can supply all original and OEM Hypertherm spares at competitive prices, with timely delivery.

PRODUCT PORTFOLIO / 06

MIG WELDING & ACCESSORIES

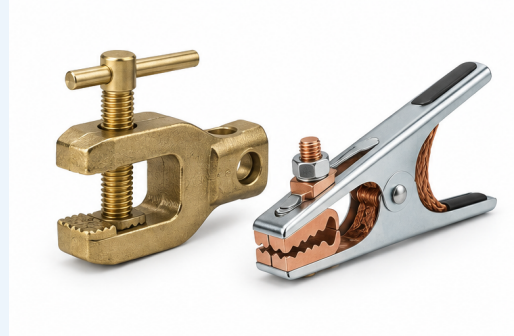

Nexa supplies welding consumables and connection accessories for fabrication, workshop maintenance and equipment replacement.

MIG TORCH CONSUMABLES

Contact tips, gas nozzles and diffusers
Tip holders and torch liners
Replacement consumables for MIG torches

EARTH CONNECTORS

Welding earth / ground clamps
Brass screw-type connectors
For welding return-cable connections

MALE & FEMALE CONNECTORS

Male plugs and female cable sockets
Twist-lock welding connectors
For cable connections and extensions

MACHINE SOCKETS

Panel-mounted welding sockets
Matching machine plugs and fittings
For equipment connection and repair

ORIGINAL & OEM SPARES | COMPETITIVE PRICES

Timely supply for your welding requirements. Send torch or machine model, part number, cable size and quantity for a quotation.

Product pictures are illustrative. Specifications and compatibility confirmed at quotation.
